- 1. The person in control of the substance expressly or impliedly represents that the substance has the effect of a controlled substance.
- 2. The person in control of the substance expressly or impliedly represents that the substance because of its nature or appearance can be sold or delivered as a controlled substance or as a substitute for a controlled substance.
- 3. The person in control of the substance either demands or receives money or other property having a value substantially greater than the actual value of the substance as consideration for delivery of the substance.

- 2. It is unlawful for a person to publish or to post or distribute in a public place, an advertisement or solicitation, if the person knows or reasonably should know the advertisement or solicitation is to promote the distribution of imitation controlled substances.
